GOOD NEWS OF A GREAT THING

That Has Become the Talk of Thousands

There is a death at the end of every life, but as we travel on toward the grave we hope to be blessed with good health, and when we have a friend who has suffered for years with some painful malady, it is good news, indeed, when we are told of that friend's complete recovery, and when we hear of the remedy that made the cure we are bound to have confidence in it. This is why Root Juice is so well spoken of over the country.

Mr. Sam Anderson, a well known farmer living near Gas City, Ind., said: "I'll tell you, Root Juice is a great medicine. I suffered for years with rheumatism and stiff joints and when I awoke in the morning I could hardly raise myself from the bed. My feet and hands were sore, stiff and painful, more especially during rainy weather. I had a great deal of trouble with my back. Root Juice cured one of my neighbors of a bad stomach trouble, so I thought I would give it a trial, although my trouble was entirely different. I purchased a bottle of Root Juice and a 25-cent bottle of 'Ez-a-lit' Pain Oil; I rubbed my back and joints well with the oil and took Root Juice precisely as directed. I felt so much better after the first week that I bought six more bottles of the Juice, and also some of the liniment. In a few weeks every symptom of my trouble was gone. I now feel that the cure is permanent and am advising all my sick friends to try Root Juice."

Root Juice has proved its wonderful merit to hundreds of local people. For sale by J. Jas. Wood & Son \$1 a bottle, or three bottles for \$2.50.

HANDICAPPED.

This is the Case With Many Maysville People.

Too many Maysville citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and sleeping or lifting an impossibility. The back aches at night, preventing refreshing rest, and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Maysville evidence?

Mrs. Nathan A. Hafer, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by kidney complaint, during which time I tried various remedies without obtaining benefit. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning I felt tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. Jas. Wood & Son's Drugstore. They cured me in a short time."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

EAST LIMESTONE.

Wheat and grass are much in need of rain. Miss Oda Breeze is convalescent, after a few days sickness.

Mrs. T. R. Stevens of Summit is recovering from an attack of nervous prostration.

Mrs. Charles Huber of Dimmitt Station is slowly improving, after suffering with typhoid pneumonia.

Mr. R. C. Williams sold a valuable work mule to the Ohio Valley Pulley Works recently. Price \$200.

Mr. Thomas Tolle and Mr. Charles Huff of Maysville were visitors at the Williams home Sunday afternoon.

Mrs. Kate Case of near Orangeburg was a caller at the home of Mrs. R. C. Williams Thursday evening.

Miss Kathryn Smith and friend, Mr. George Yarnell of the Carmel pike, attended the Easter exercises at Pleasant Hill Sunday evening.

Mr. Jamie Smith purchased a new rubber tire buggy Saturday. We are under the impression now that Jamie's calls at Springdale will be quite frequent.

Anna D. Williams and friend, Mr. William Kalb of Dimmitt, were pleasantly entertained at the beautiful rural home of Mr. and Mrs. C. C. Degman Sunday, and attended the Easter exercises at Pleasant Hill.

The Easter exercises given at the Pleasant Hill school house Sunday were appropriate, and the pupils manifested their talent in a deserving manner, which reflects much credit on the part of the Superintendent and teachers. Among the happy features in commemoration of the day was the phrase, "Our Lord Triumphant," beautifully portrayed on canvases in evergreen letters, was a beautiful sentiment, and the whole spoke volumes of praise for the pupils and teachers and the Superintendent.

MISS ANNA M. PETRY.

Miss Anna M. Petry passed away very suddenly yesterday afternoon at her home in East Fourth street from a stroke of paralysis, which attacked her a few hours before, her death occurring at 1:45 p. m.

Deceased was a native of Europe, but came to this country early in life with her parents, the late Christian and Marie Petry, formerly highly esteemed residents of Maysville.

She leaves one brother, Mr. William Petry of Cincinnati, and three sisters—Misses Fredricka, Josephine and Carolina, with whom she made her home. Another brother, the late F. C. Petry, died a few years ago.

Deceased was a member of the Presbyterian Church, and Dr. Barbour will conduct the services, but no arrangements have been made for the funeral. Burial in Maysville Cemetery.

Advice to Women A Message From a Famous Beauty Specialist to Women Lacking in Energy and Vitality

Thousands of women vainly attempt to improve their complexions and to remove blackheads, crows' feet and other blemishes, through the use of cosmetics. This treatment fails because the trouble lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the whole system which finds its expression in sallow, muddy complexion, dark-circled eyes, general weakness of the system, and perhaps most plainly in the weeping of mucous membranes that is commonly called catarrh.

In fact this whole tendency is, properly speaking, Catarrh. Banish this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Mrs. Swift, New York, the famous beauty specialist known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh is Rexall Muc-Tone. Here is her letter:

"I can strongly endorse the claims made for Rexall Muc-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Rexall Muc-Tone, they will praise as I do its strengthening and healing qualities."

Rexall Muc-Tone works through the blood, acting thus upon the mucous cells—the congestion and inflammation of which causes local catarrh. This remedy causes poison to be expelled from the system, and the blood is purified and revitalized. Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. I know that Rexall Muc-Tone does relieve catarrh. I positively guarantee to refund the money paid me for this remedy in every case where the user is dissatisfied. It is a builder of vigorous health and a creator of complexions. Price 50 cents and \$1 per bottle. Mail orders filled. It may be obtained only at my store—The Rexall Store. Thos. J. Chenoweth.

"It Was No Guess!"

When we said in our last week's ad. we would be rushed the latter part of the week. It certainly was a big day for Maysville's merchants. Christmas Eve business is no longer in the same class as the Saturday before Easter Sunday. When you see the "Boys" with their "Hechinger" Suits on you will not wonder at the stream of suit boxes carried out of our store in the past few days. No suits like them shown elsewhere. There is an individuality to our this spring's clothes that stamps them way out of the ready-made clothes appearance. They are strictly on lines of the high-class merchant tailors' productions.

Our Shoes, Hats and general line of Furnishing Goods are right in the same class as our Clothing.

Don't fail to call for tickets on our "Victrola." If you don't care for it our Mr. D. Hechinger will give \$200 for it.

It will be distressing news to a number of ex-Confederate soldiers in Kentucky to learn that Governor WILSON has vetoed the bill passed by the last Legislature granting the indigent and needy a pension of \$12 a month.—Oynthiana Democrat.

Their "depression" and sorrow ought to change to joy and laughter when they learn that the

Gov. signed the bill appropriating \$7,500 to help erect a monument to General JOHN HUNT MORGAN, the rebel guerilla. The war sure am over when Kentucky's Republican Governor is magnanimous enough to indorse such a proposition. It has THE LEDGER's o. k., too. But how men and the times do change. "If" Kentucky's Democratic Legislature had wisely adopted laws to fill the coffers of the State Treasury with the ready cash, no doubt but Governor WILSON would have signed the bill giving \$12 a month pension to indigent ex-Confederate soldiers. Why blame Democratic blunders on the Republicans?

A TRIBUTE.

"Precious in the sight of the Lord is the death of his saints."

At the family residence in East Second street, Maysville, Ky., at 10 o'clock on the evening of March 24th, in her 78th year, Ellen Fitzgerald Piper fell asleep in Jesus, that "blessed sleep from which none ever wake to weep." Her illness, long protracted and oftentimes attended by intense suffering, was borne with remarkable patience and resignation.

She is survived by two daughters, Mrs. S. A. Shanklin and Mrs. P. P. Parker, and four grandchildren and one sister, Mrs. Nannie Clark, her husband, S. A. Piper, an influential and honored citizen, for many years President of the First National Bank of this city, having passed to the Great Beyond thirteen years ago.

At an early age she united with the Presbyterian Church at Carlisle, since which time, amid all the vicissitudes of a long and busy life, she has been ever the same faithful, loving, submissive Christian.

Of sweet and gentle disposition, kind and hospitable, sympathetic and considerate, seeking not great things for herself, unselfish and unostentatious in these and many other excellent traits, she gave ample proof daily that her life was hid with Christ in God.

The moral beauty of her nature invoked the warmest devotion of those who knew her best, and long years will elapse ere the memory of this quiet, unobtrusive, lovely character will fade from the minds and hearts of her large circle of friends and relatives.

"Earth hath no sorrow that Heaven cannot heal." May the Angel of Patience walk ever with the bereaved ones, whispering in gentlest accents

"Be resigned, Bear up, I said shall tell The dear Lord ordereth all things well."

Stops Lameness

Much of the chronic lameness in horses is due to neglect.

See that your horse is not allowed to go lame. Keep Sloan's Liniment on hand and apply at the first sign of stiffness. It's wonderfully penetrating—goes right to the spot—relieves the soreness—limbers up the joints and makes the muscles elastic and pliant.

Here's the Proof.

Mr. G. T. Roberts of Resaca, Ga., R.F.D. No. 1, Box 41, writes:—"I have used your Liniment on a horse for sweeney and effected a thorough cure. I also removed a spavin on a mule. This spavin was as large as a guinea egg. In my opinion, the best remedy for lameness and soreness is."

Sloan's Liniment

Mr. H. M. Gibbs of Lawrence, Kans., R.F.D. No. 3, writes:—"Your Liniment is the best that I have ever used. I had a mare with an abscess on her neck and one eye, bottle of Sloan's Liniment entirely cured her. I kept it around all the time for galls and small swellings and for everything about the stock."

Sloan's Liniment will kill a spavin, curb or splint, reduce wind puffs and swollen joints, and is a sure and speedy remedy for fistula, sweeney, founder and thrush.

Beauty-Doctor's New Shampoo

A professional hair dresser recently told about the new shampoo which is now so much in vogue. In smart hair-dressing establishments, Turkish towels are heated so hot that they can scarcely be borne in the hand. The head is rubbed with these and a frequent change of towels should be kept up until the hair is entirely free from superfluous oil. With these shampoos once a week the hair soon takes on its natural brilliancy and in the course of time may even appear more brilliant than Nature intended. There are women who, notwithstanding any care they give their hair in the way of regular brushing and shampooing, still are troubled with gray hairs coming in long before the natural time. This is probably owing to wrong diet or a fretful disposition, or both. The surest way to overcome this and to restore the hair to its natural color is to use that old standard preparation HAY'S HAIR HEALTH, which is safe to apply, and furnishes the necessary nourishment to the roots of the hair, causing a healthy, brilliant and natural sheen. Let Me Tell You Something

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is to blame for her own wretched condition.

There are literally hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering. Read what these women say:

Camden, N. J.—"It is with pleasure that I send my testimonial for Lydia E. Pinkham's Vegetable Compound, hoping it may induce other suffering women to avail themselves of the benefit of this valuable remedy."

"I suffered from pains in my back and side, sick headaches, no appetite, was tired and nervous all the time, and so weak I could hardly stand. Lydia E. Pinkham's Vegetable Compound made me a well woman—and this valuable medicine shall always have my praise."—Mrs. W. P. Valentine, 902 Lincoln Ave., Camden, N. J.

Buffalo, N. Y.—"I am writing to tell you that I am pleased with your medicine. I had been sick for a long time with prolapsus. I heard about Lydia E. Pinkham's Vegetable Compound, and I have found that it is the right kind of medicine for me. I felt relieved after taking one bottle and I kept on taking it till now I am well and strong, and am able to do my work."—Mrs. Henry Kossow, 472 Genesee St., Buffalo, N. Y.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound had the virtue to help these women it will help any other woman who is suffering from the same trouble?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.
